The Institute for Education (IfE) invites applications from those interested to offer their services as Learning Programmes Development Experts to the Institute for Education (IfE) for the development and delivery of modules in Maltese pedagogy as part of Master of Education (Maltese) (MQF 7).

The Learning Programmes Development Experts (LPDE) will undertake to:

1. Develop modules from those indicated at the end of this expression of interest in the format required by the NCFHE Application for Programme Accreditation under the supervision of the IfE. The LPDE would ensure that the work being developed is relevant to the Maltese educational context in line with Government policy while liaising with and be answerable to the CEO of the IfE, or delegate. The modules will be written on the NCFHE Application for Programme Accreditation **within 30 days of signing the contract**. The modules will then be presented as a whole course to NCFHE for validation and accreditation. The LPDE will perform the necessary amendments as indicated in the feedback sent by the NCFHE validators within the timeframe indicated.
2. Deliver the number of contact hours of professional learning per module as outlined in the Course Framework while providing guidance throughout the self-study hours through e-mails. Contact hours will be delivered face-to-face, online and in-class in the proportions indicated in the framework. Therefore, the expert may also be filmed or create a voiceover for the online component as well as develop the online resource content that accompanies the delivery.

The online content to be uploaded needs to be delivered in the following format:

1. Outcomes of the session. 2. Tasks to do during the online session.	Presentation with audio to be uploaded and/or filming of the speaker delivering the session.
Suggested Articles/Books	Suggested clips that participants need to view.

The filming and the content will be uploaded on the IfE Online Portal which may be accessed by the participants as part of the course.

3. Assess the individual participants through a diversity of tools against the outcomes set per module in the NCFHE application. Experts are to give feedback to the participants and the results will be reported in soft copy in a template developed by the IfE.
