Version 2.0

Author: Head Quality Assurance

Quality Assurance Department

1. Introduction

1.1 The resources and services of the physical library of the Institute for Education have been assembled to meet the specific needs of the members of the Institute's community. The Institute's aim of the library is based on the dual goals of providing access to information while assuring preservation of library resources and collections. In achieving these goals, the Institute will ensure access for all users who need information while implementing appropriate standards to provide for the preservation of library materials and resources. Individual users share access to the finite resources of the Institute's Library with all other users.

1.2 This policy and procedure has been developed for the benefit of all library users, and the cooperation of all in observing them is essential for the common good. They are intended to promote:

- Equitable access to library materials and information sources;
- The maintenance of library materials.

2. Library Members

2.1 The Library shall be open for the purposes of study and research to:

Full-time, part-time members and persons on a contract for service with the Institute for Education, as follows:

- i. Members of the Institute's Advisory Board
- ii. All full-time employees;
- iii. Academic members of staff;
- iv. Course participants who follow learning programmes at the Institute.

2.2 Researchers to whom a temporary borrowing permit may be issued by the Senior Manager Administration.

3. Loan of Books

3.1 The library at the Institute for Education forms part of the Malta Libraries and any borrowing of books from IfE library can only be done through the Malta Libraries' portal.

3.2 At any one-time authorized library members may have in their possession not more than the number of books specified below:

- i. a member of the Institute's academic staff – four (4);
- ii. a course participant of the Institute reading for a post-graduate degree – four (4);
- iii. full-time employees – four (4);
- iv. All other library members – four (4).

Apart from the four (4) books as listed above, library members in possession of the Malta Libraries Card may also borrow through the Malta Libraries website:

- Three (3) audiovisual material;
- Three (3) eBooks

- 3.3 The CEO of the Institute may adjust these allocations at her discretion.
- 3.4 No book shall be taken out of the Institute until the loan has been recorded through the Malta Libraries portal by an IfE's administrative officer.
- 3.5 The period allowed for the loan of each book is three (3) weeks/21 days. Renewals can be done online by the library member for up to two (2) times by accessing their library account through the Malta Libraries website.
- 3.6 Borrowers can borrow up to three (3) times the same book (a total of 9 weeks).
- 3.7 If the library member would have already borrowed books from another public library of the Malta Libraries, the number of books that one can borrow will vary accordingly. For example; if one would have already borrowed two (2) books from the public library in Floriana, the library member can only borrow two (2) books from IfE library (to limit the number of books to four (4) books as permitted by Malta Libraries)
- 3.8 Books may be collected only by the library member in possession of both the Malta Libraries and IfE library cards and not by any other person unless a power of attorney is available.
- 3.9 Thesis and a limited number of books at IfE library cannot be borrowed and are placed in the 'Reference' section. Due to the present COVID19 situation, the 'Reference' section is temporarily closed.
- 3.10 Any book on loan may be recalled, if required for teaching purposes, or if so requested by the CEO. Such books must be returned within one week from notification, unless the date due for the return of that book falls beforehand.
- 3.11 All books must be returned to the Institute's library by the date specified;
- 3.12 A book shall not be transferred to another member unless the book is returned and reissued in the manner prescribed in these regulations;
- 3.13 If a book is retained beyond the loan-period without renewal, or kept beyond a recall deadline, a charge of €0.20 per day shall be applicable. Charges shall be settled through an IBAN number provided by an IfE's administrative officer. Non-settlement of fines shall lead to a blocking of the member from borrowing books
- 3.14 Books which are already on loan may be reserved by another member by sending an email to ife.library@ilearn.edu.mt or the library member can himself/herself reserve the book through his/her library account of the Malta Libraries website. When returned, reserved books will be available for collection for a limited period only (9 working days);
- 3.15 Notwithstanding the status of a book, the CEO may, at her discretion, designate whether a book should be retained for in-house consultation only. Such books may not be borrowed.
- 3.16 Members must not mark, deface or damage library books.
- 3.17 Members will be liable for any loss of, or damage to books while in their charge. Any loss or damage must be reported immediately to the Institute's administrative staff.
- 3.18 Library members may replace lost and/or damaged books with another identical publication. Alternatively, members may also pay for the lost/damaged publications via bank transfer. The refund amount for the book to be paid will be advised by IfE. Either the library member decides to refund the book or replace the book by another identical publication; this has to be effected within two (2) months from the reported loss/damage of the book.

4. Returns

- 4.1 Returns of books which have been borrowed from IfE library, may be effected from Monday to Friday from 9am to 4.15pm;
- 4.2 Returns can be effected by other persons on behalf of the library member.
- 4.3 The person who returns the book shall ask for an IfE's administrative officer who will guide the borrower to the 'Returns box' present in the library where he/she can deposit the book(s). This procedure is also being adopted due to the COVID19 situation.

5. Copyright

- 5.1. All users of library materials are personally responsible for ensuring that they observe the requirements of the [Copyright Act](#) currently in force in Malta; failure to do so will be regarded as a serious breach of the Institute's discipline in addition to any liability incurred under the law. Members of the Institute copying and scanning library books under the terms of any licensing scheme currently in force within the Institute are personally responsible for ensuring strict adherence to the rules of any such scheme, and any breach of these rules will be regarded as a serious breach of Institute discipline.
